

Rapidly amplify the effectiveness of your portfolio companies

LifeLabs Learning teaches skills to build passionate, high-performing managers and teams through live workshops, digital tools, and organizational consulting.

We support over 2,400 organizations around the world

Partner with LifeLabs Learning

In addition to providing training to the employees of VC and PE firms, we also join forces with investors to upskill leaders and teams across their portfolio.

-  **Increase your ROI by creating high-performance teams**
-  **Scale critical collaboration, inclusion, and leadership skills across your portfolio**
-  **Develop managers that unlock value, drive retention, and enable performance**
-  **Stand out as a partner that invests in both businesses and people**

Our partners include Lightspeed Venture Partners, Union Square Ventures, a16z, and Insight Partners.

You're committed to results. So are we:

99%

of learners have used at least one new skill 6-12 months later

100%

of participants' managers said they were still seeing a positive impact 6 months after training

95%

of participants say our programs are useful and engaging

Collaboration opportunities

Below are a few ways we can collaborate to support your firm and your portfolio companies

PORTFOLIO DISCOUNT

We'll provide 10% off the first learning experience for your portfolio companies.

Many partners list us in their preferred vendor list, GetProven, or BuiltFirst portal

Make it easier for your portfolio companies to close mission-critical skill gaps across their companies while looking great as a thoughtful partner.

FREE EDUCATIONAL EVENTS

Gather the leaders in your portfolio for a series of free mini-workshops, up to 1x a quarter.

Popular topics include Leading Change, Creating a Feedback Culture, and Rapid Trust Lab

When the leaders within your portfolio have skills, confidence, and a community of peers, they build the systems and culture that set up their organizations for success.

CROSS-PORTCO PROGRAMMING

Train leaders and managers across your portfolio. Sponsor it, subsidize it, or simply organize it — we work with you to come up with the right solution for your goals.

[Read how](#) *Union Square Ventures scaled critical leadership skills with their Manager Bootcamp Initiative.*

The leaders you've invested in quickly build skills that increase productivity, engagement, inclusion, retention, and overall organizational effectiveness.

RESOURCES

Bolster your resources library with our templates and playbooks designed to help People Ops leaders support their employees.
